REFLECTIONS '81

To: Paula

Friendship...
In the years before we met
The friends I had were few
I have always wished that I would get.
A friend as dear as you.

I remember that stormy arguement
And I was on your side,
I understood your problems
And in you I could confide.

I had a beautiful thought
So far up in my mind
That you were the one to be my friend
Because you were so kind.

I knew I had to find a way
To show you that I care
So I thank you on this special day
For the friendship that we share

I am glad that you are here
To help me pass the time of day
And I never have any fear
That you might go away.

As we open this yearbook we begin the trip through our neighborhood. Each street we walk down brings back memories; some hilarious and some we'd rather forget.

I remember that one day
when you made me see
That everything will be oh right
Between both you and me.
a friend always.

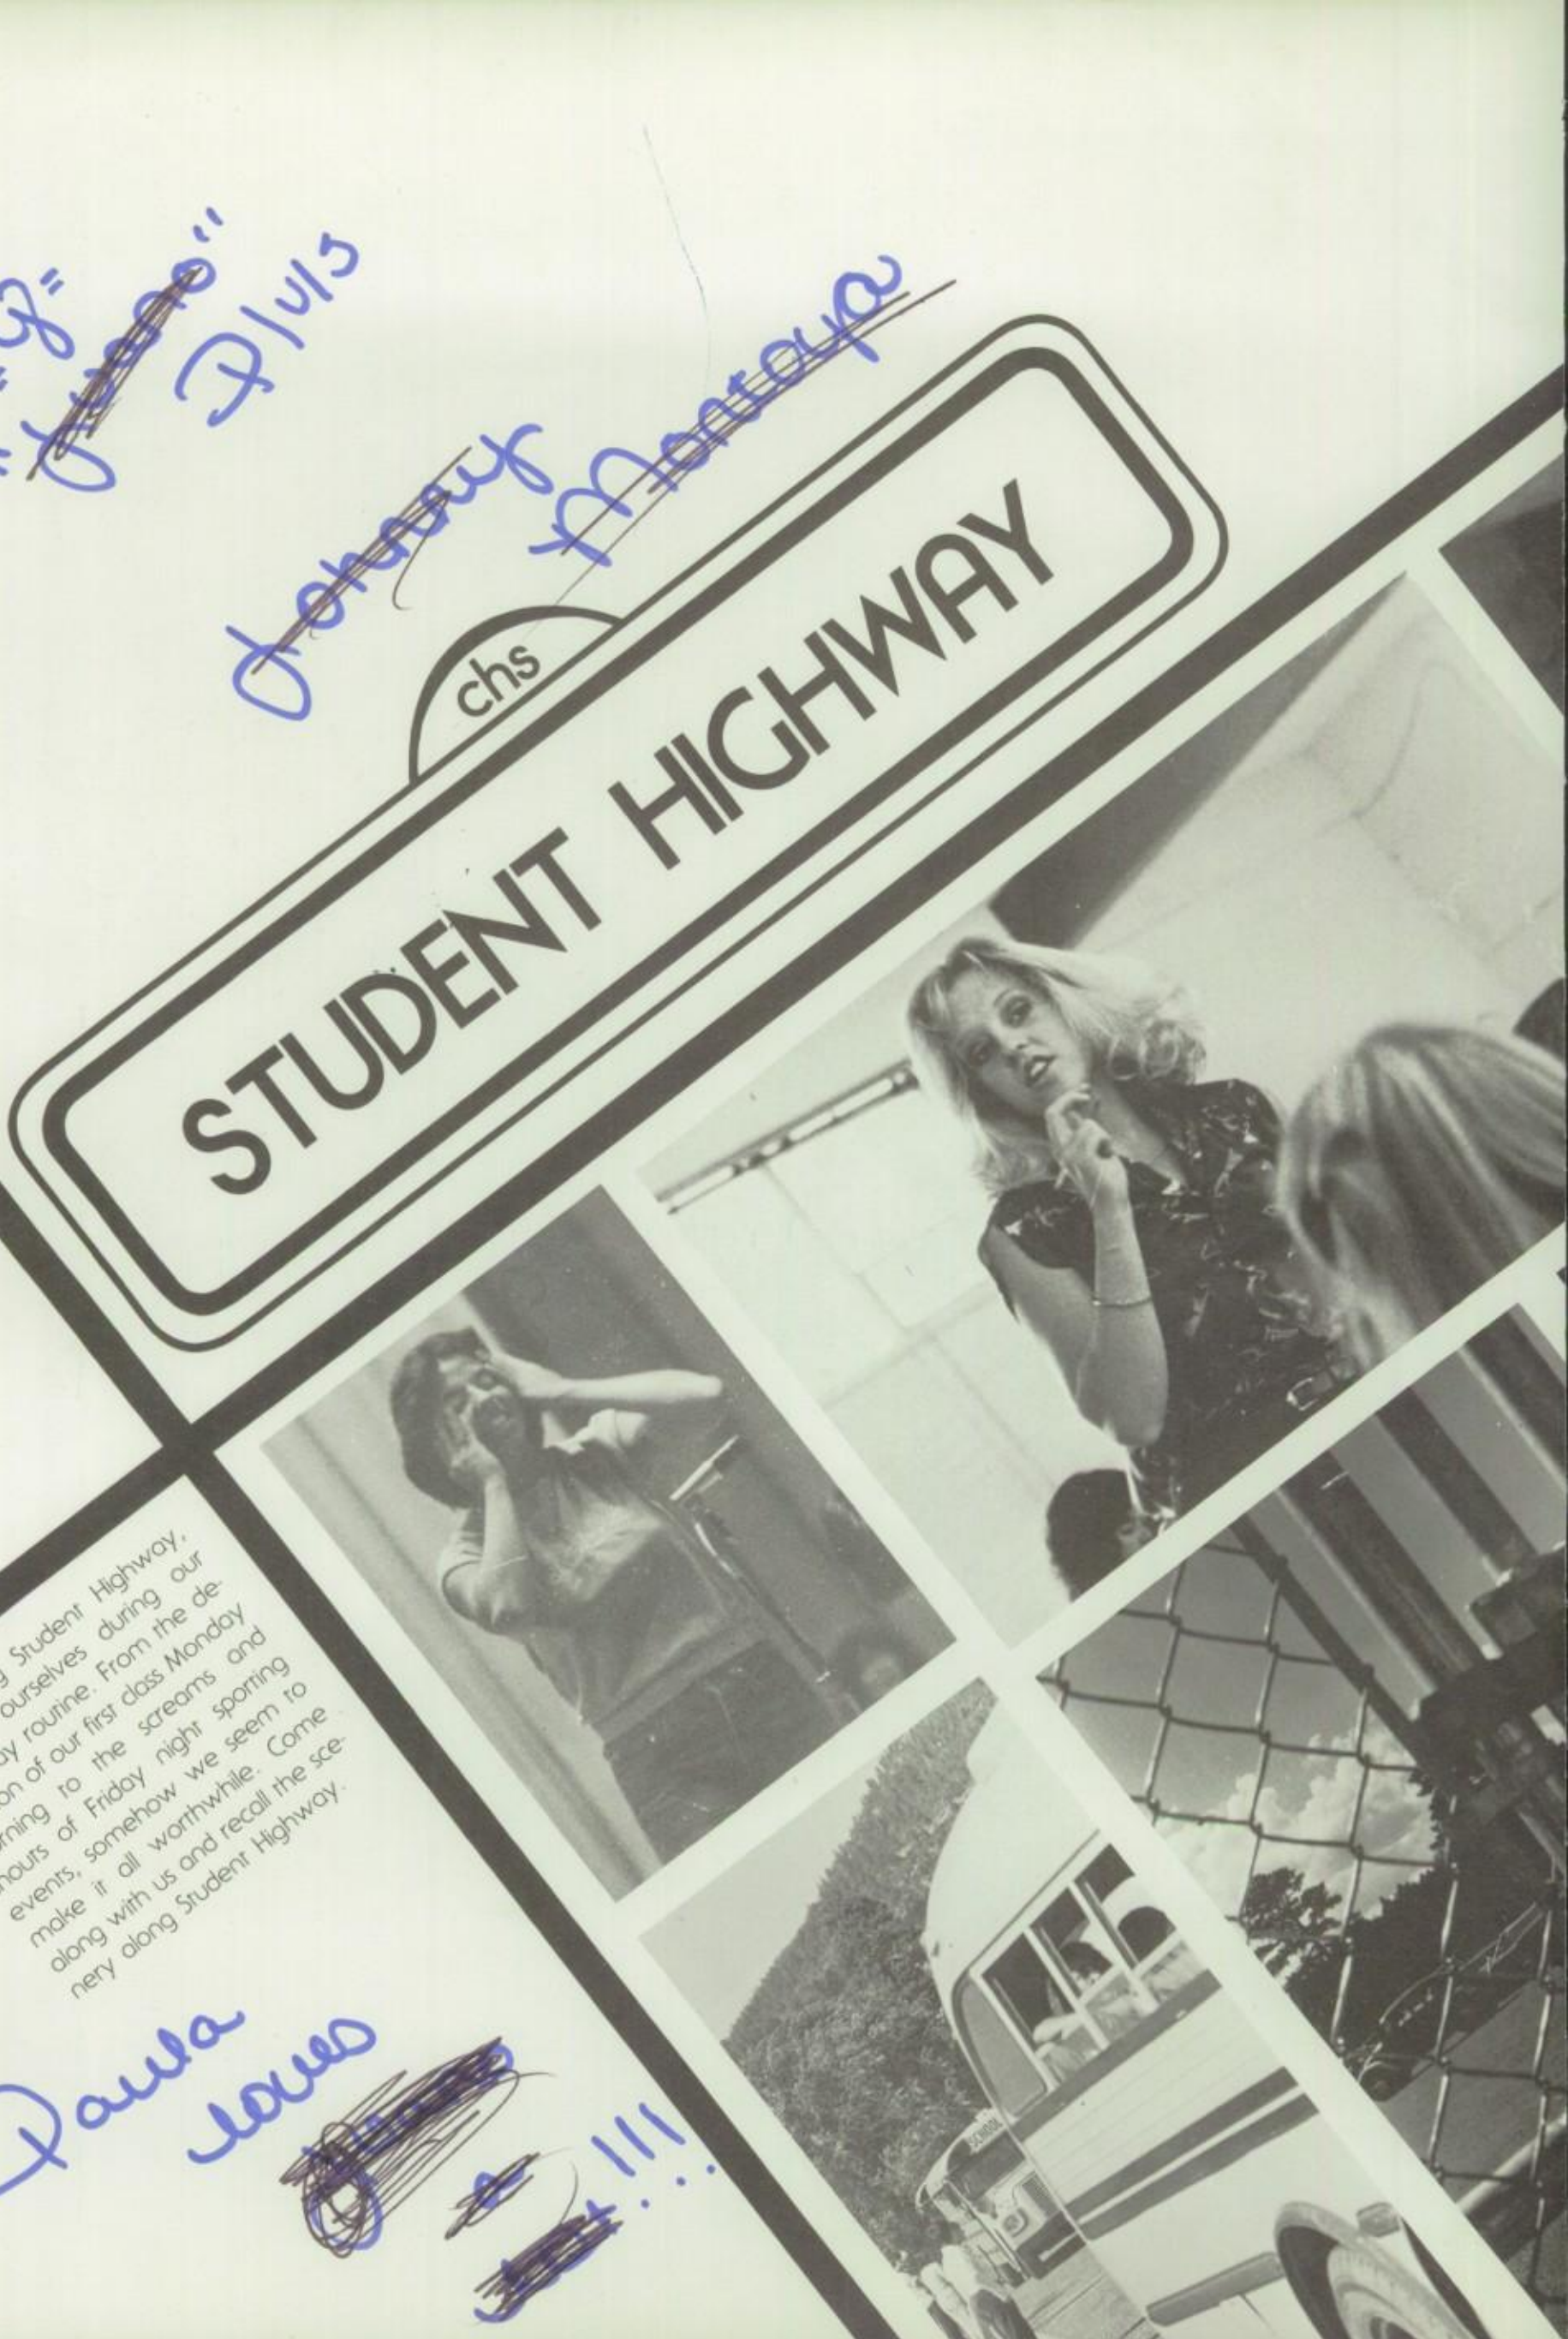
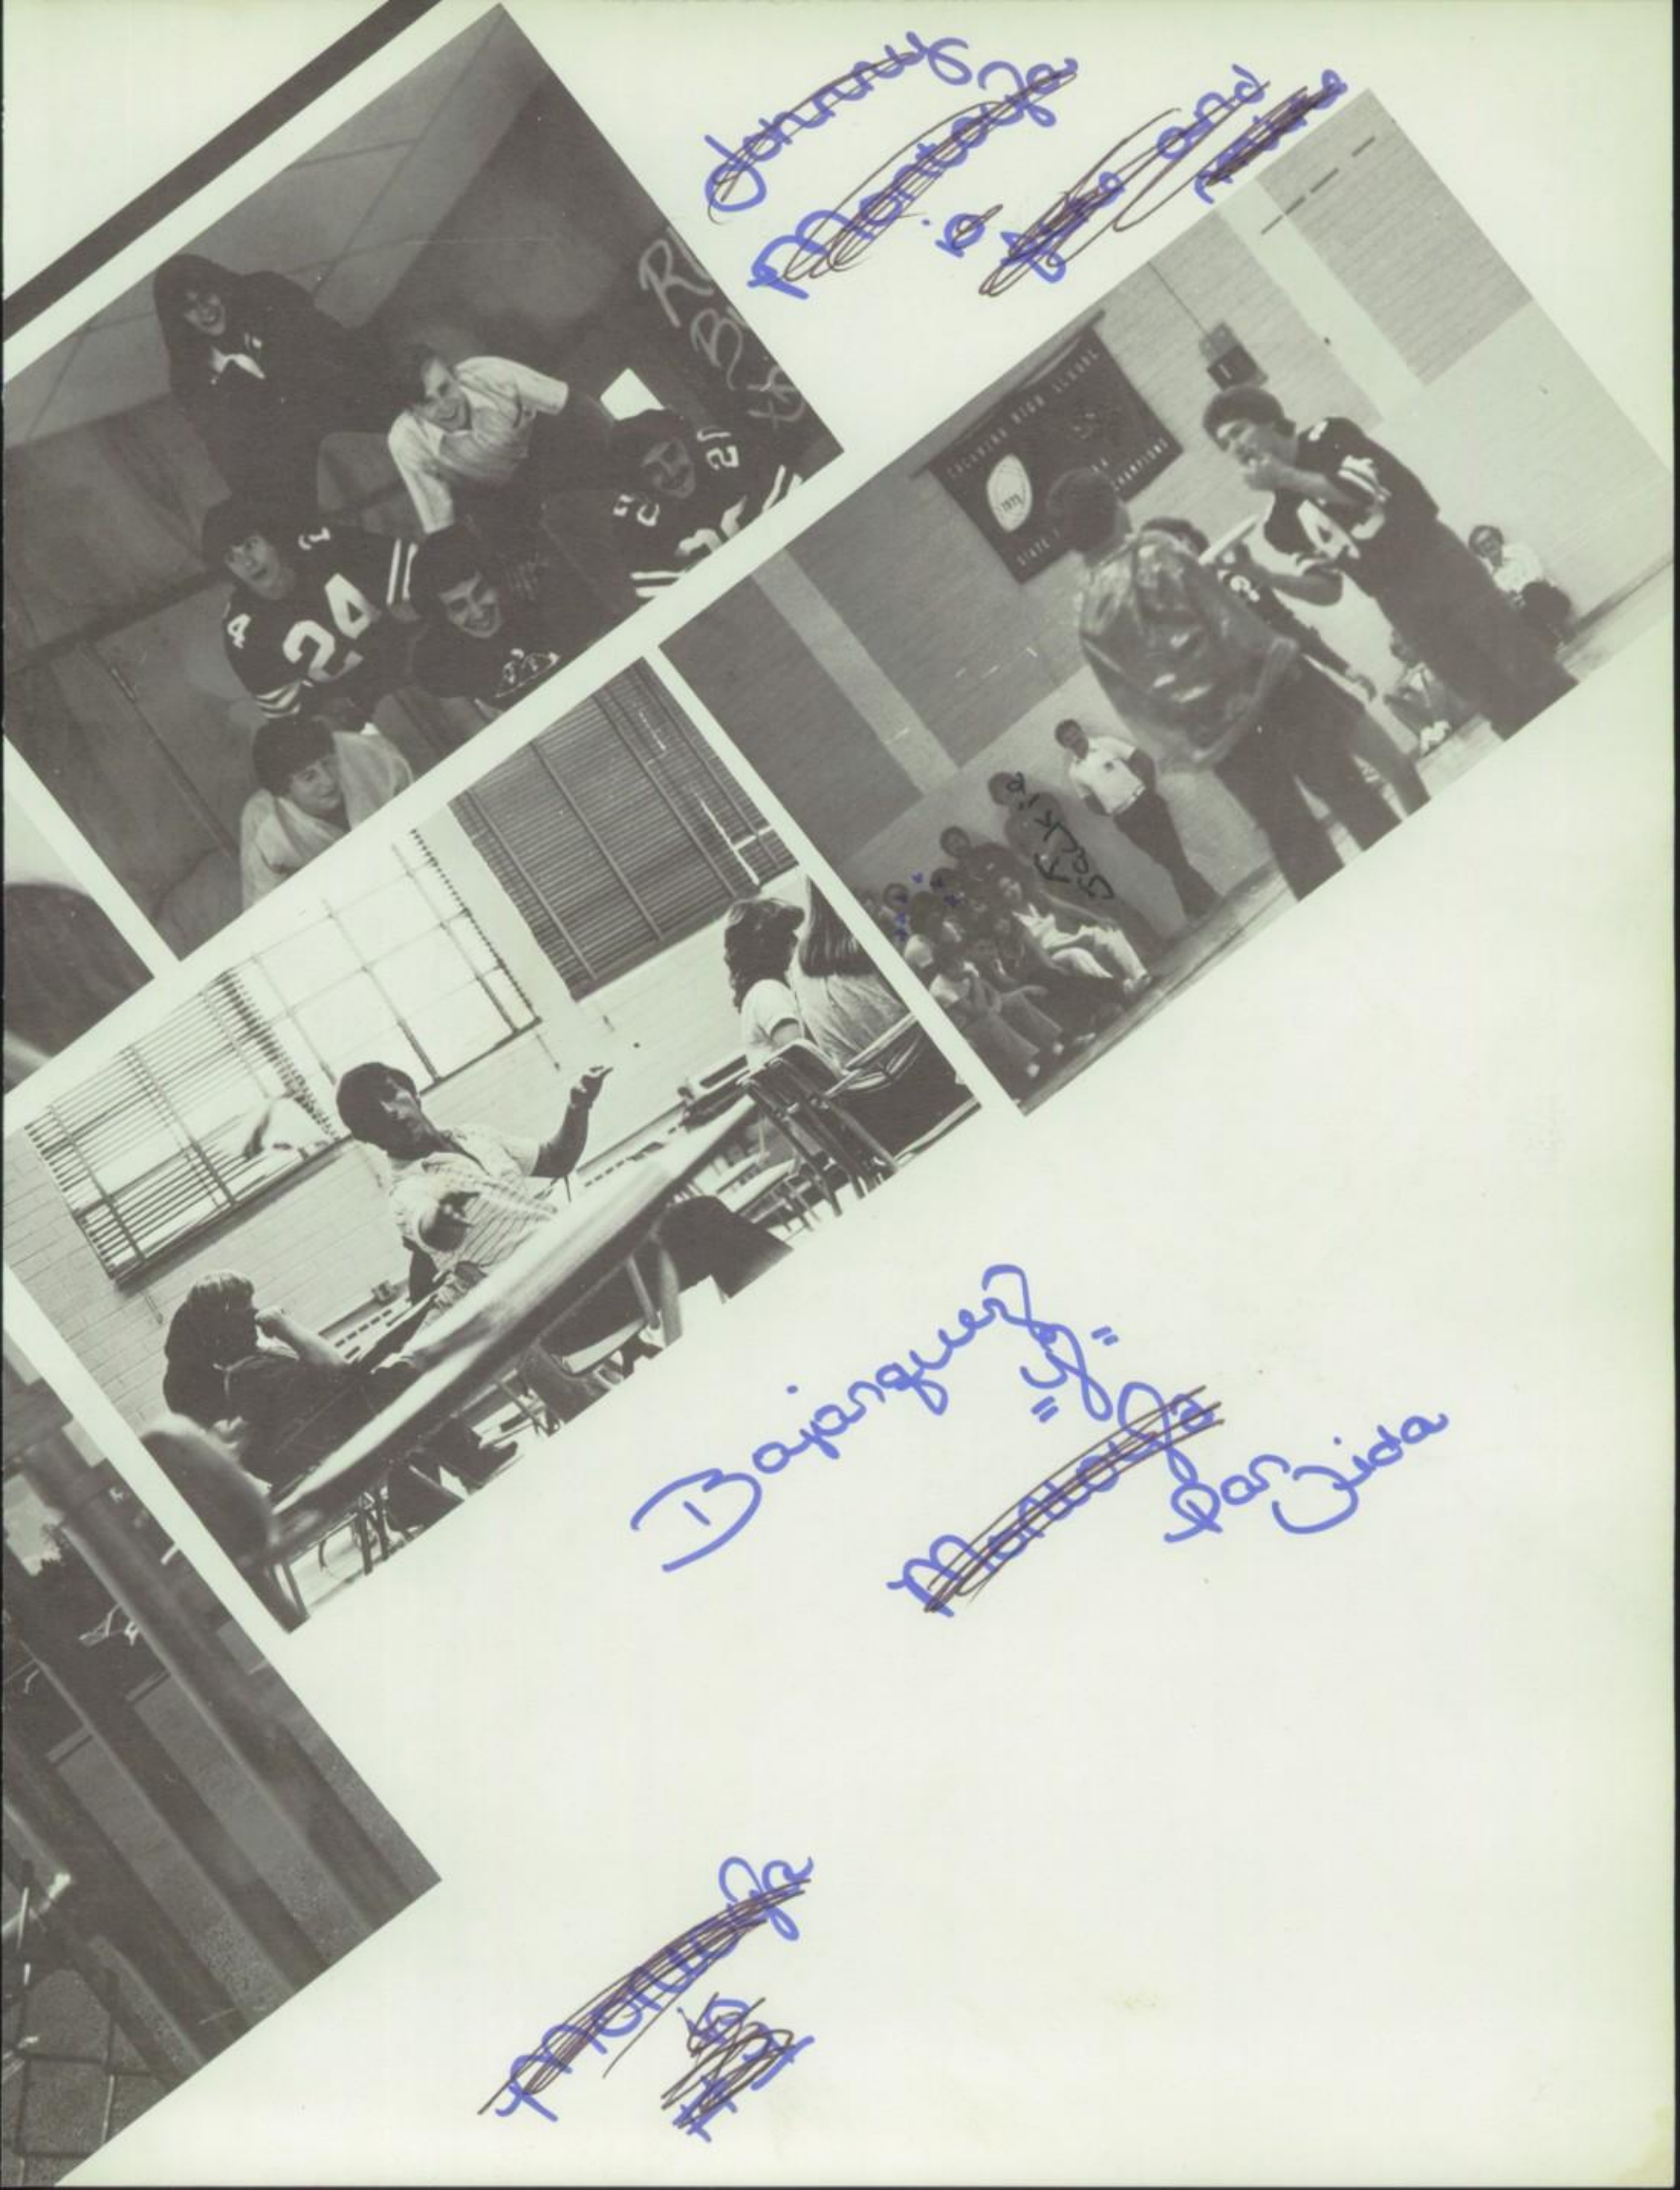
STUDENT HIGHWAY



Approaching Student Highway, we see ourselves during our everyday routine. From the depression of our first class Monday morning to the screams and shouts of Friday night sporting events, somehow we seem to make it all worthwhile. Come along with us and recall the scenery along Student Highway.



Homecoming 1980

Homecoming 1980 began on Monday with Spirit Week. Some of the crazy dress up days were: Cowboy Day, Punk Rock Day, and Grub Day. On Friday there was an Alumni Luncheon and a pep assembly to raise spirit for the game. The game was against Tuba City and was won 29-0. The Homecoming royalty was announced at the game and was a surprise to all. The night was concluded with a dance.

Homecoming 1980 was a great event in our neighborhood. It raised spirit and gave us a chance to see our old alumni. It will be remembered by all!!!

Homecoming provided a week of spirit, competition, and even a few laughs. The CHS halls witnessed an array of posters, and dress ranging from cowboys to punk rock musicians. The theme of Coconino's 1980 Homecoming was "Another one bites the dust." Climaxing the week was an impressive victory on the field, as another five days of spirit went down in the annals of Coconino High.

Coconino's class of '83 came to C.H.S. 390 strong. They were the largest group of Sophomores to date. Coconino's upper class planned an initiation to trim them down to size.

The fun started with Sophomore slaves being sold to Seniors for 25¢. The sale took place on Monday.

The next two days of initiation the Sophomores came to school in anything from panty hose to gunny sacks. Competitive games were planned, but they never were held, due to the split lunches.

Most of the Sophomores had a good time. They admitted to being a little embarrassed but that's part of it. Coconino's class of '83 was very much welcomed.

1. D. Bothmer and M. Gieger show their Sophomore spirit as two friends watch.
2. M. Flores, G. Kerrick, A. Martinez, and K. Kelly look disgusted after making fools of themselves.
3. L. Herrera attempts to push a pencil up the hall.

Mount St. Helens
Eruption

1981, a year we'll all remember! The year Ronald Regean became the 40th president. The year Mt. Saint Helens blew and the MGM resort/casino burned to the ground. The year the Iranian hostages were finally freed, after 444 days held captive. The year John Lennon, of the Beatles, and Col. Sanders, of Kentuckey Fried Chicken died. The first peace time registration ever, was instared, amid protest.

1981-The Year clogs and colorful socks were in, along with the ever popular Levis, and the new craze, baggies. Polo shirts in all colors were seen on boys and girls alike. Nikes were the tennis shoe to wear, and moon boots were seen alot in colder weather. Hair styles varied from short and kinky to long and straight. Yes, 1981 was a time to be remembered.

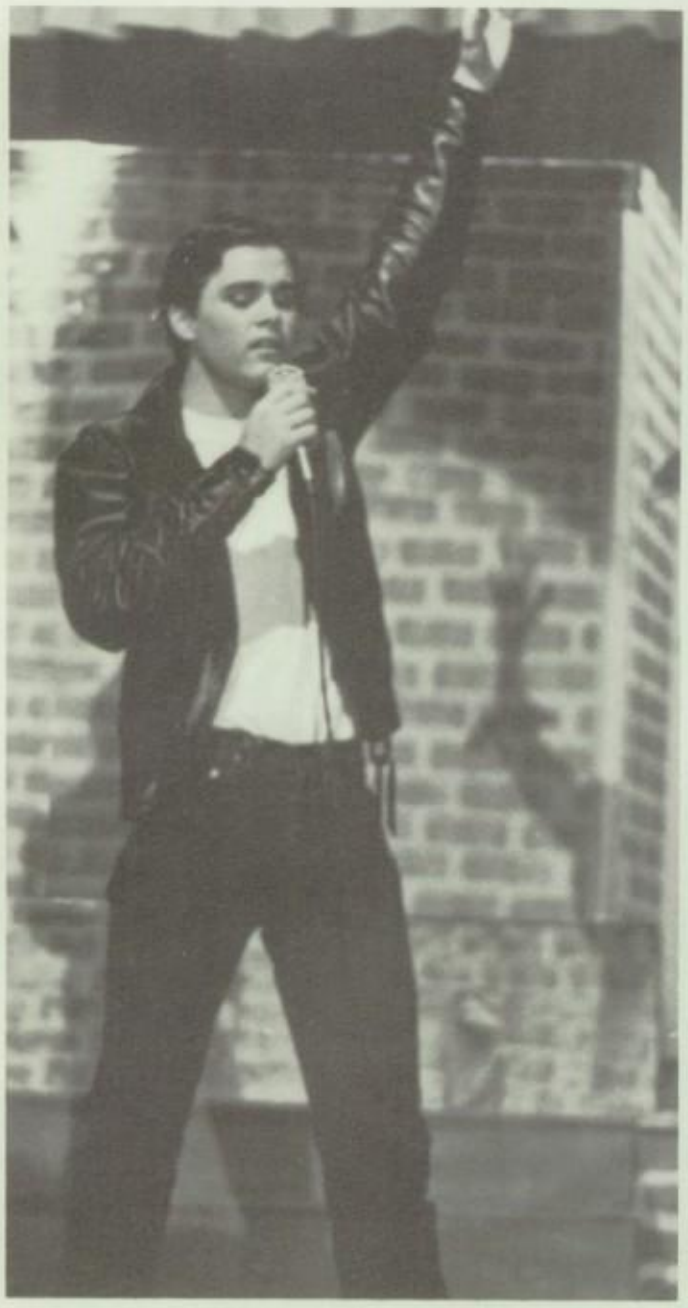
Go greased lightning!



The actors of Coconino and Flagstaff High schools took the stage on November 5 and 6 for the musical Grease. The guys greased their hair back "Fonzie style", while the dolls donned sweaters and petticoats. The audience enjoyed such golden oldies as "Stranded at the Drive in" and "We Go Together". Members of the cast were: Pernell McGuire (CHS) as Danny Zuko, Shannon Clark (FHS) as Sandy Dumbrowski, Nancy Korn (CHS) as Jan, Tara Sidles (FHS) as Rizzo, Kevin Moore (CHS) as Roger, Kris Holmgren (CHS) as Marty and Jeff Ashley (CHS) as Doody.

CLUB CUL-DE-SACC

In our cul de sacs we find the clubhouses where we meet to attend our various meetings. From Varsity club to Chess club the members support our neighborhood and each other. In these pages we find the faces behind the Club names. Our T-shirts and our membership cards are only a part of being a club member. There are various responsibilities that go along with being a participating member. Our clubs provide many activities and are a major contributor to our neighborhood as a whole.

There was a change this year in Student Council instead of having Homeroom Representatives we added two Senators to each class which brought the number up to seven per class. Our whole Student Council consisted of 32 members instead of approximately 84 members as in previous years. Student Council works very hard trying to fulfill the student body needs. They sponsor dances, put on assemblies, and for the first time in the schools history Student Council held a blood drive for the benefit of the community. Student Council was very successful this year and we congratulate the members on a job well done!

The East Side Story produced a total of twelve issues for the 1980-81 school year. Because of a lack of money the ESS was unable to come up with any eight page issues; however, they did come up with the best four page issues that any newspaper staff could have. For the second year the ESS had Ms. Mary Nebel as their advisor.

The ESS staff attended two state journalism conventions this school year to help improve writing and layout techniques.

NAHS

NAHS is a nation wide organization, and this is its second year here at Coconino. The organization's main interest this year is to raise money for two trips. Both trips are in March, which is Youth Art Month.

To be in NAHS a person has to have taken Art 1, be a current art student, and maintain a 2.0 grade average in art. The National Art Education Association sponsors NAHS organizations all over the United States, as well as here at CHS. This organization works hard to achieve their goals, and their achievements are well deserved.

Model Legislature

Model Legislature gives its members an opportunity to live through a true to life situation of government. This group writes and researches bills that they would like to see passed in legislation.

Every year the group has two trips, one to Tucson and one to Phoenix. In Tucson the members go through a dress rehearsal for the model congressional session in Phoenix. When the group goes to Phoenix, our State representatives and senators empty the State Capital and students from all over the state come in and take over their jobs. Model Legislature is very rewarding for its members and has been active at Coconino for the past three years.

Panther Band Marches On

As the final seconds tick off the scoreboard clock progressing toward the midway point in the game, the quarterback drops back deep and lofts a final pass towards the end zone. The receiver leaps high, and as the gun sounds, comes down with a game-tying touchdown, and the Coconino side of the field erupts in cheering.

But now, at the height of the excitement, the teams are trotting off the field. It is halftime.

Wait one minute, though; all is not lost. From the far end of the field here comes the Panther marching band. Suddenly, the excitement of the game is lost in the excitement of the show. As the routine continues to be executed perfectly, the crowd, begins to take notice. Spirited music and precision marching take center stage. As the band marches briskly off the field, Coconino patrons feel a new sense of pride in their school, and there is the impression that halftime was all too short.

Marching to victory

Precision marching and spirited music marked halftime shows at CHS home football games. On the field, the band, flag twirlers, and pom squad performed with both vigor and poise, producing elaborate and entertaining programs. Routines were executed; music was made; a simple 15-minute lull in the game was transformed into a show.

Once upon a song

Once upon a song the sound of singing voices was heard at CHS. The voices came from different persons, but all joined together to produce delightful music — music that was performed at school concerts, festivals, and around the community. Many hours of practice payed off as these voices sang their songs, filling hearts with music and enlightening spirits.

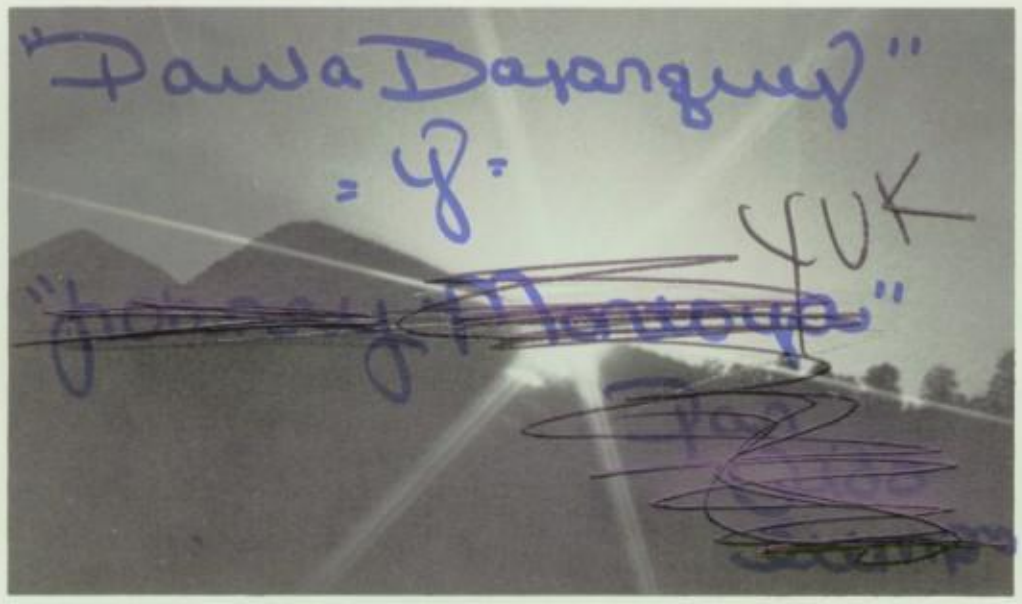
Now, all eyes look to the future. With the varsity team returning next year, prospects look bright.



Hiking and Skiing

The hiking-skiing club is an informal group that organizes weekend excursions to some of the more rugged terrain in the state. This year's hikes included the San Francisco Peaks, Tanner Trail, and the Superstitions. Students also enjoyed both cross country and downhill skiing.

SPIRIT!

This is what we say about the 1980-81 varsity cheerleaders. The cheerleaders started their year in the summer, with practice every morning at 8:00. Cheer camp came in July. It was held at N.A.U. and lasted one week. They learned new cheers, chants, jumps, dances, mounts, and experienced alot of fun activities. They won alot of 1st and 2nd place ribbons and a trophy. The cheerleaders that were conducting the camp were from the United Spirit Association and were very helpful to our cheerleaders. CHS's cheers are sponsored by Mrs. Ake. She is very helpful to these girls, she takes them on the away trips and really gets them going. 1980-81 has been a really great year for the cheerleaders.

IT OUT!

We think the Junior varsity cheerleaders are really fantastic. They have promoted alot of spirit to the junior varsity sports and to the school itself. The J.V. cheerleaders started their year out with practice in the summer and attended cheer camp with the varsity cheerleaders. They won alot of ribbons and showed very much spirit for Coconino high. This is the first year for these girls and next year and the year after they will make a big success for the varsity squad.

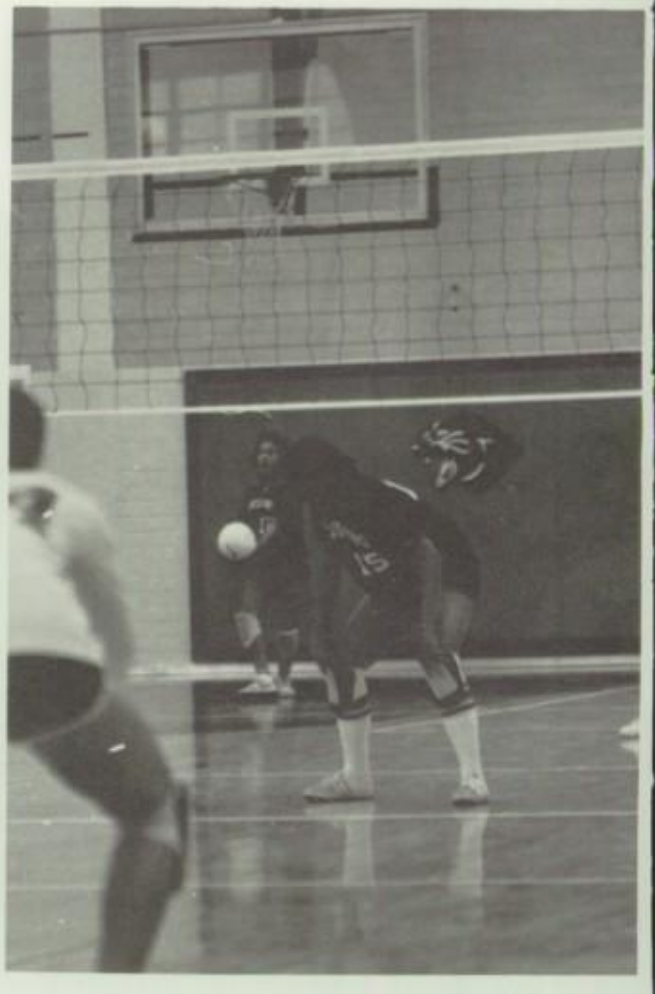
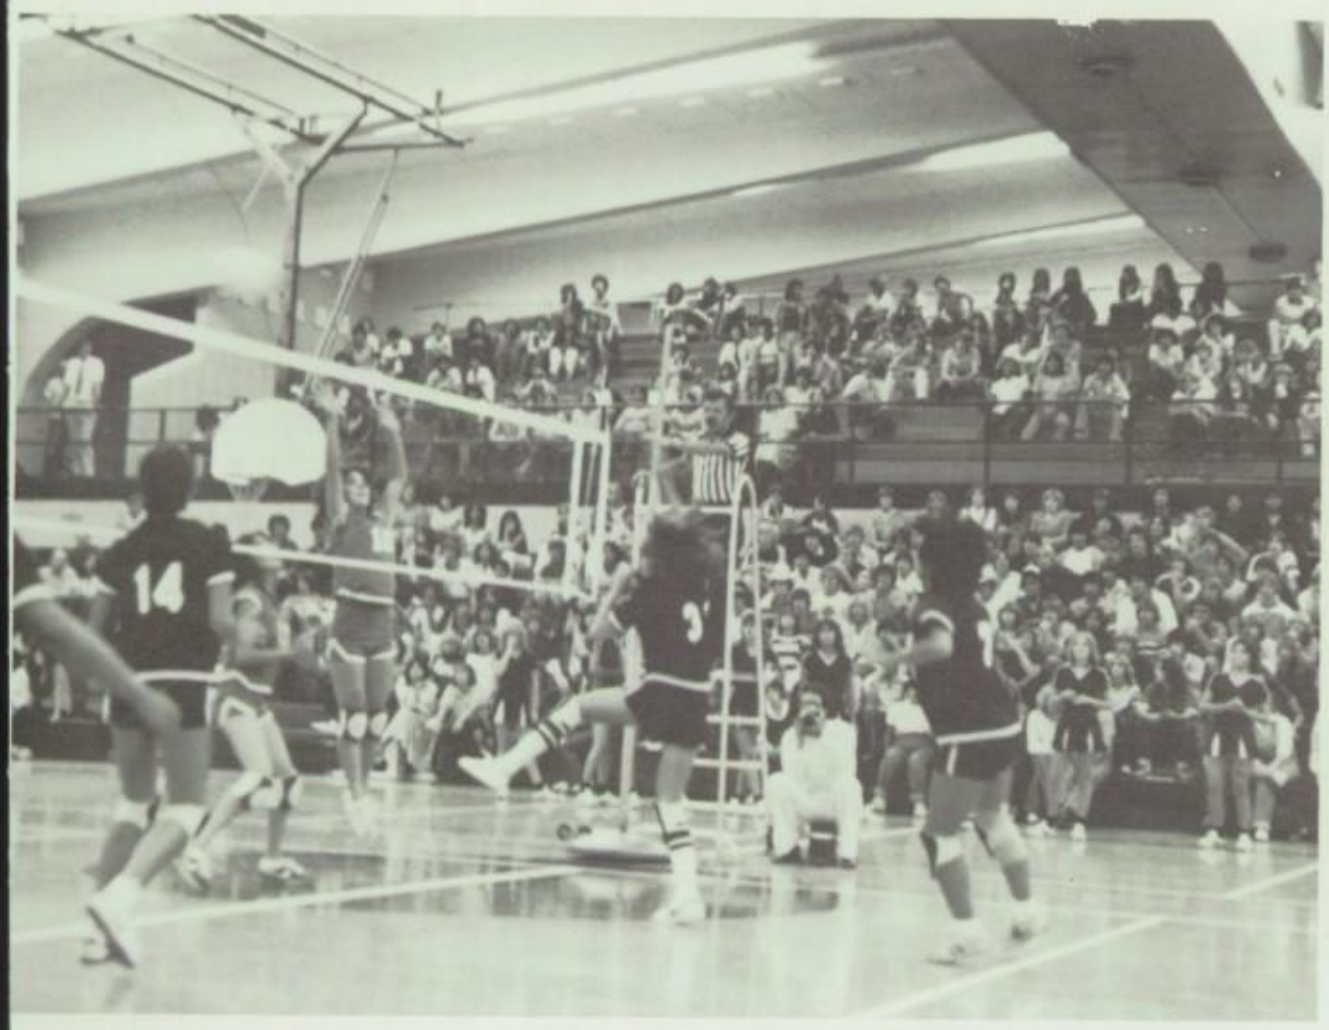
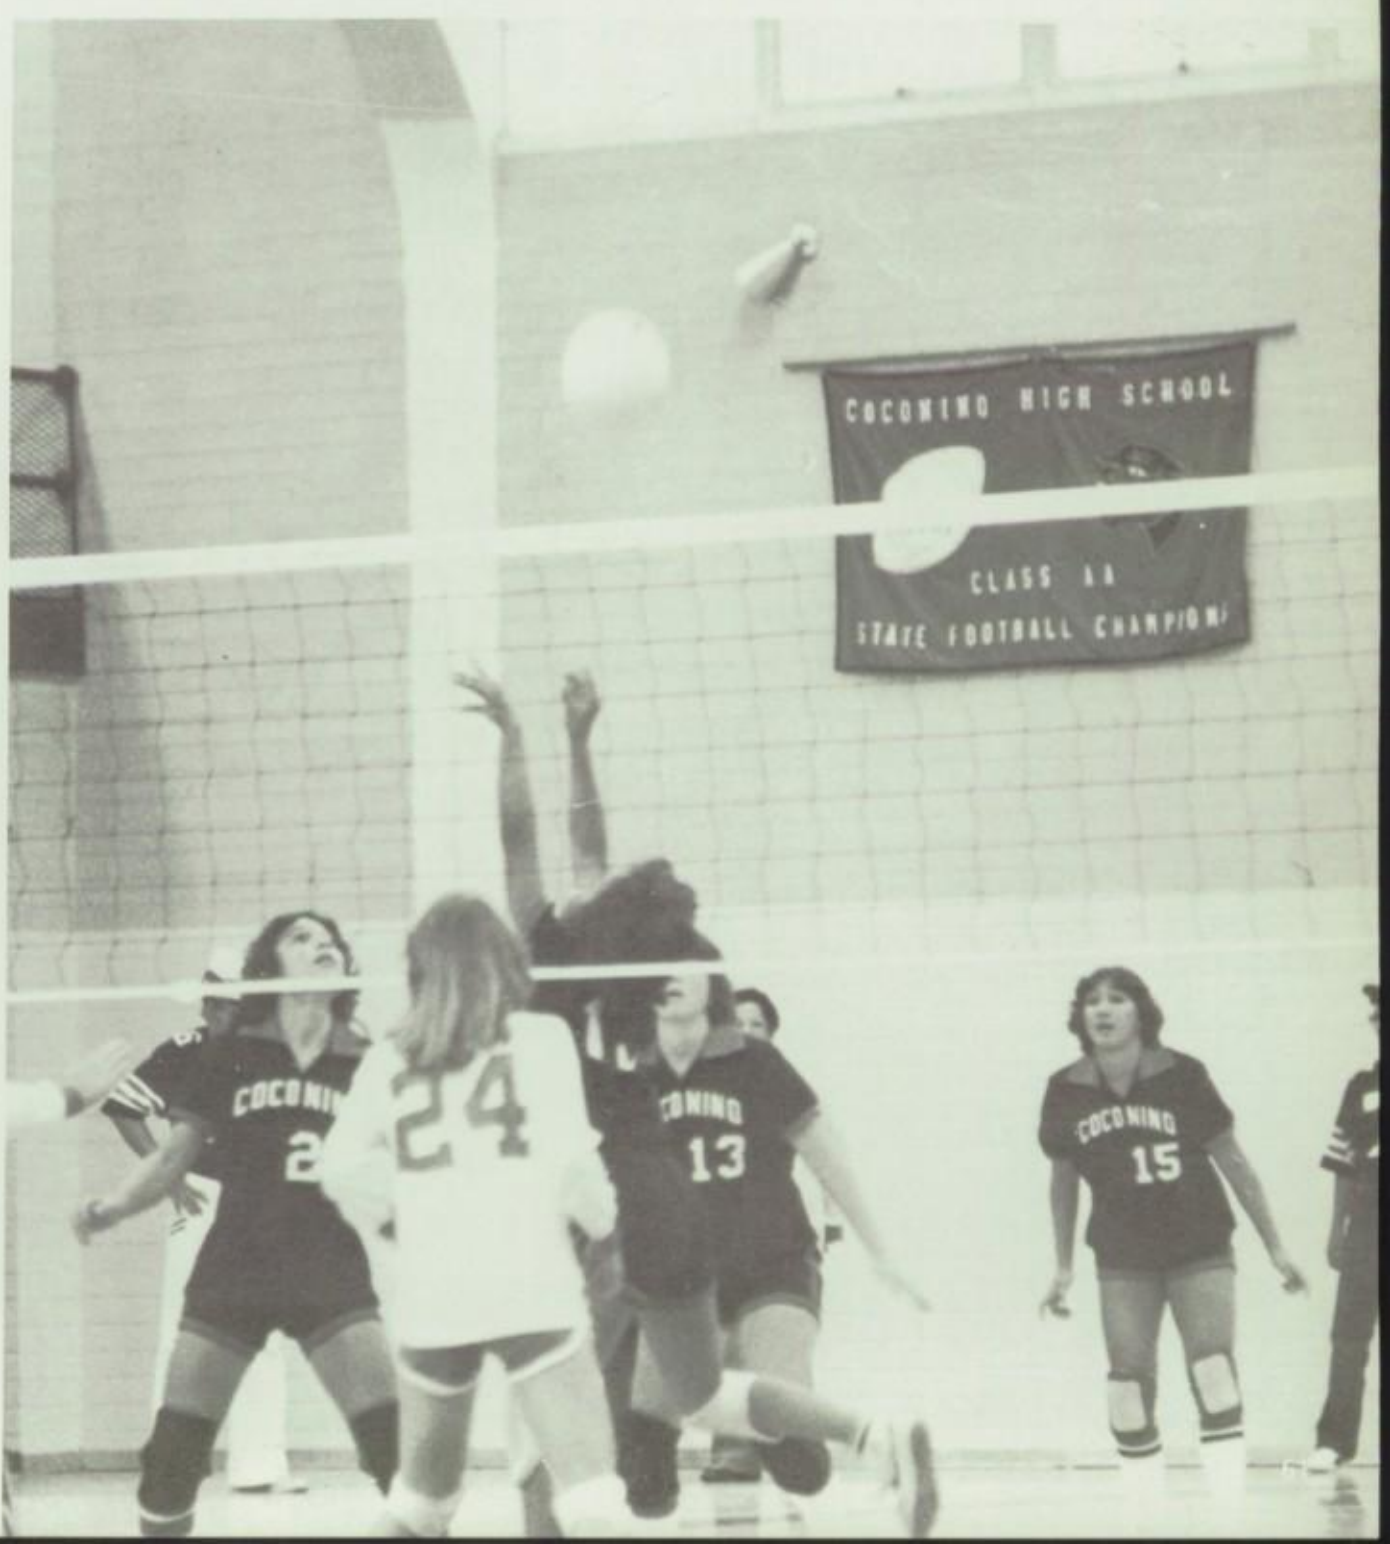
Flagstaff High	W	7-0

CHS Spikers





This years 1980 JV and Varsity volleyball teams really put forth a good group effort toward this years team with the help of Varsity Coach Mr. Wertz, and JV coach Mrs. Smith. These girls improved a great deal as the year went on and won more games in the first half of the season than the preceding teams had won all year.



Coconino Runners

Coconino's boys and girls Cross Country teams were very successful this year. Coaching them were Mrs. Butterfield and Mr. Boehle. The turnout of both participants for both teams is one of the main reasons for the teams good standing.

CHS Sluggers

This was CHS's second year to have girls softball. There were two teams, with Mr. Taylor and Chris Trueblood coaching them. Both teams did very well against their opponents from Flag High.

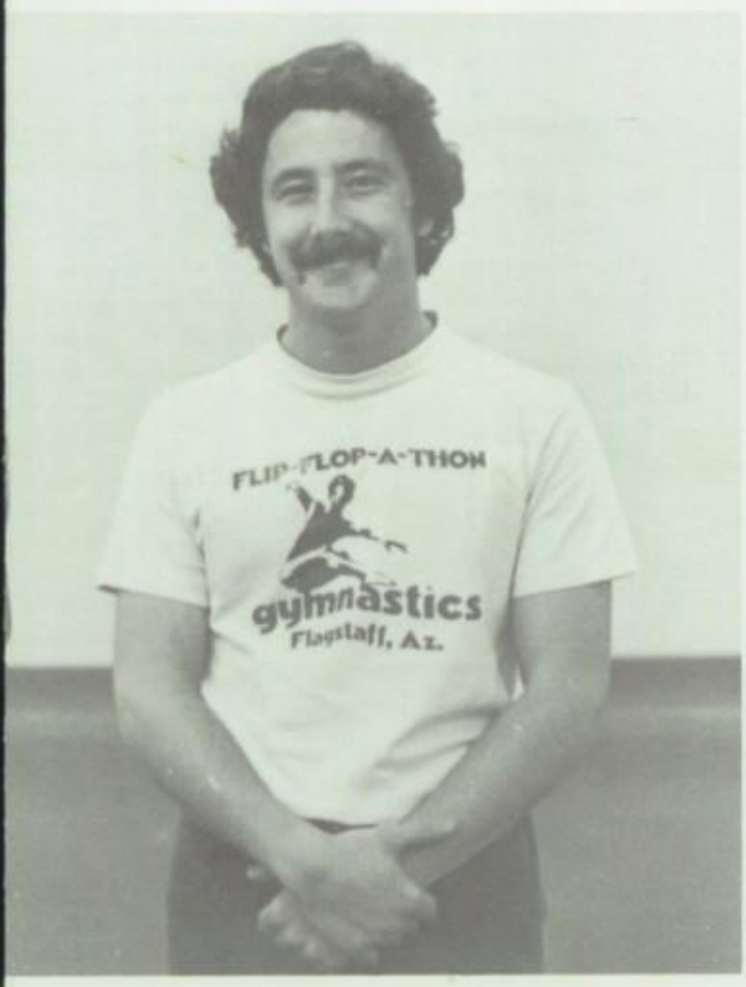
top row, left to right: Shelley Heal, Julie Marshall, Pam Mickelson, Brenda Roe, Ellen Arviso, Debbie Galaher, Kim Kelley, Yolanda Montoya. bottom row: Kelly Glenn, Cree Saxer, Shellee Mickelson, Debbie Hernandez, Camilla Liebe, Tammy Wolfe. Below: Coach Camponeschi. Not pictured Coach Hanson.



This years gymnastic's team was a great success. The team was involved in 6 meets. Although all the girls contributed alot, Kim Kelly, Shellee Mickelson, and Yolanda Montoya were the most promising in all events. The team was fortunate to have two very experienced coaches, Mr. Camponeschi, and Deirdra Hanson.

Boys'

This year's Boys' Basketball Teams gave a good show for the money. Head coach for the Varsity team was Stan Townsend with Assistants Weldon Mickelson, and Williard Gilbert. We had an outstanding record of fourteen wins and eight losses. We also went to state for the fifth time.

A strong running team, the J.V. cats ended their season with twelve wins and five losses. Head coach for the J.V. team was Weldon Mickelson. Fine individual performances were turned in by such players as Moody Pullido, Johnny Chavez, and Jeff Blalock, for the J.V. cats and Randy McKee, Steve Wood, and Marty Hannah for the Varsity cats.

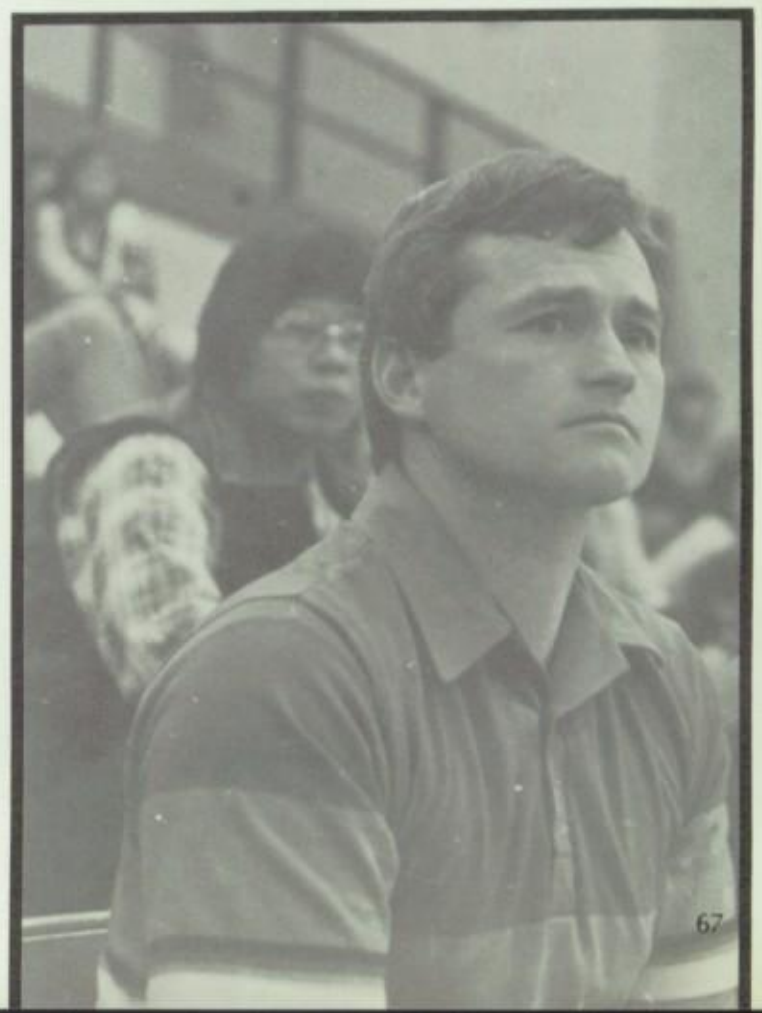
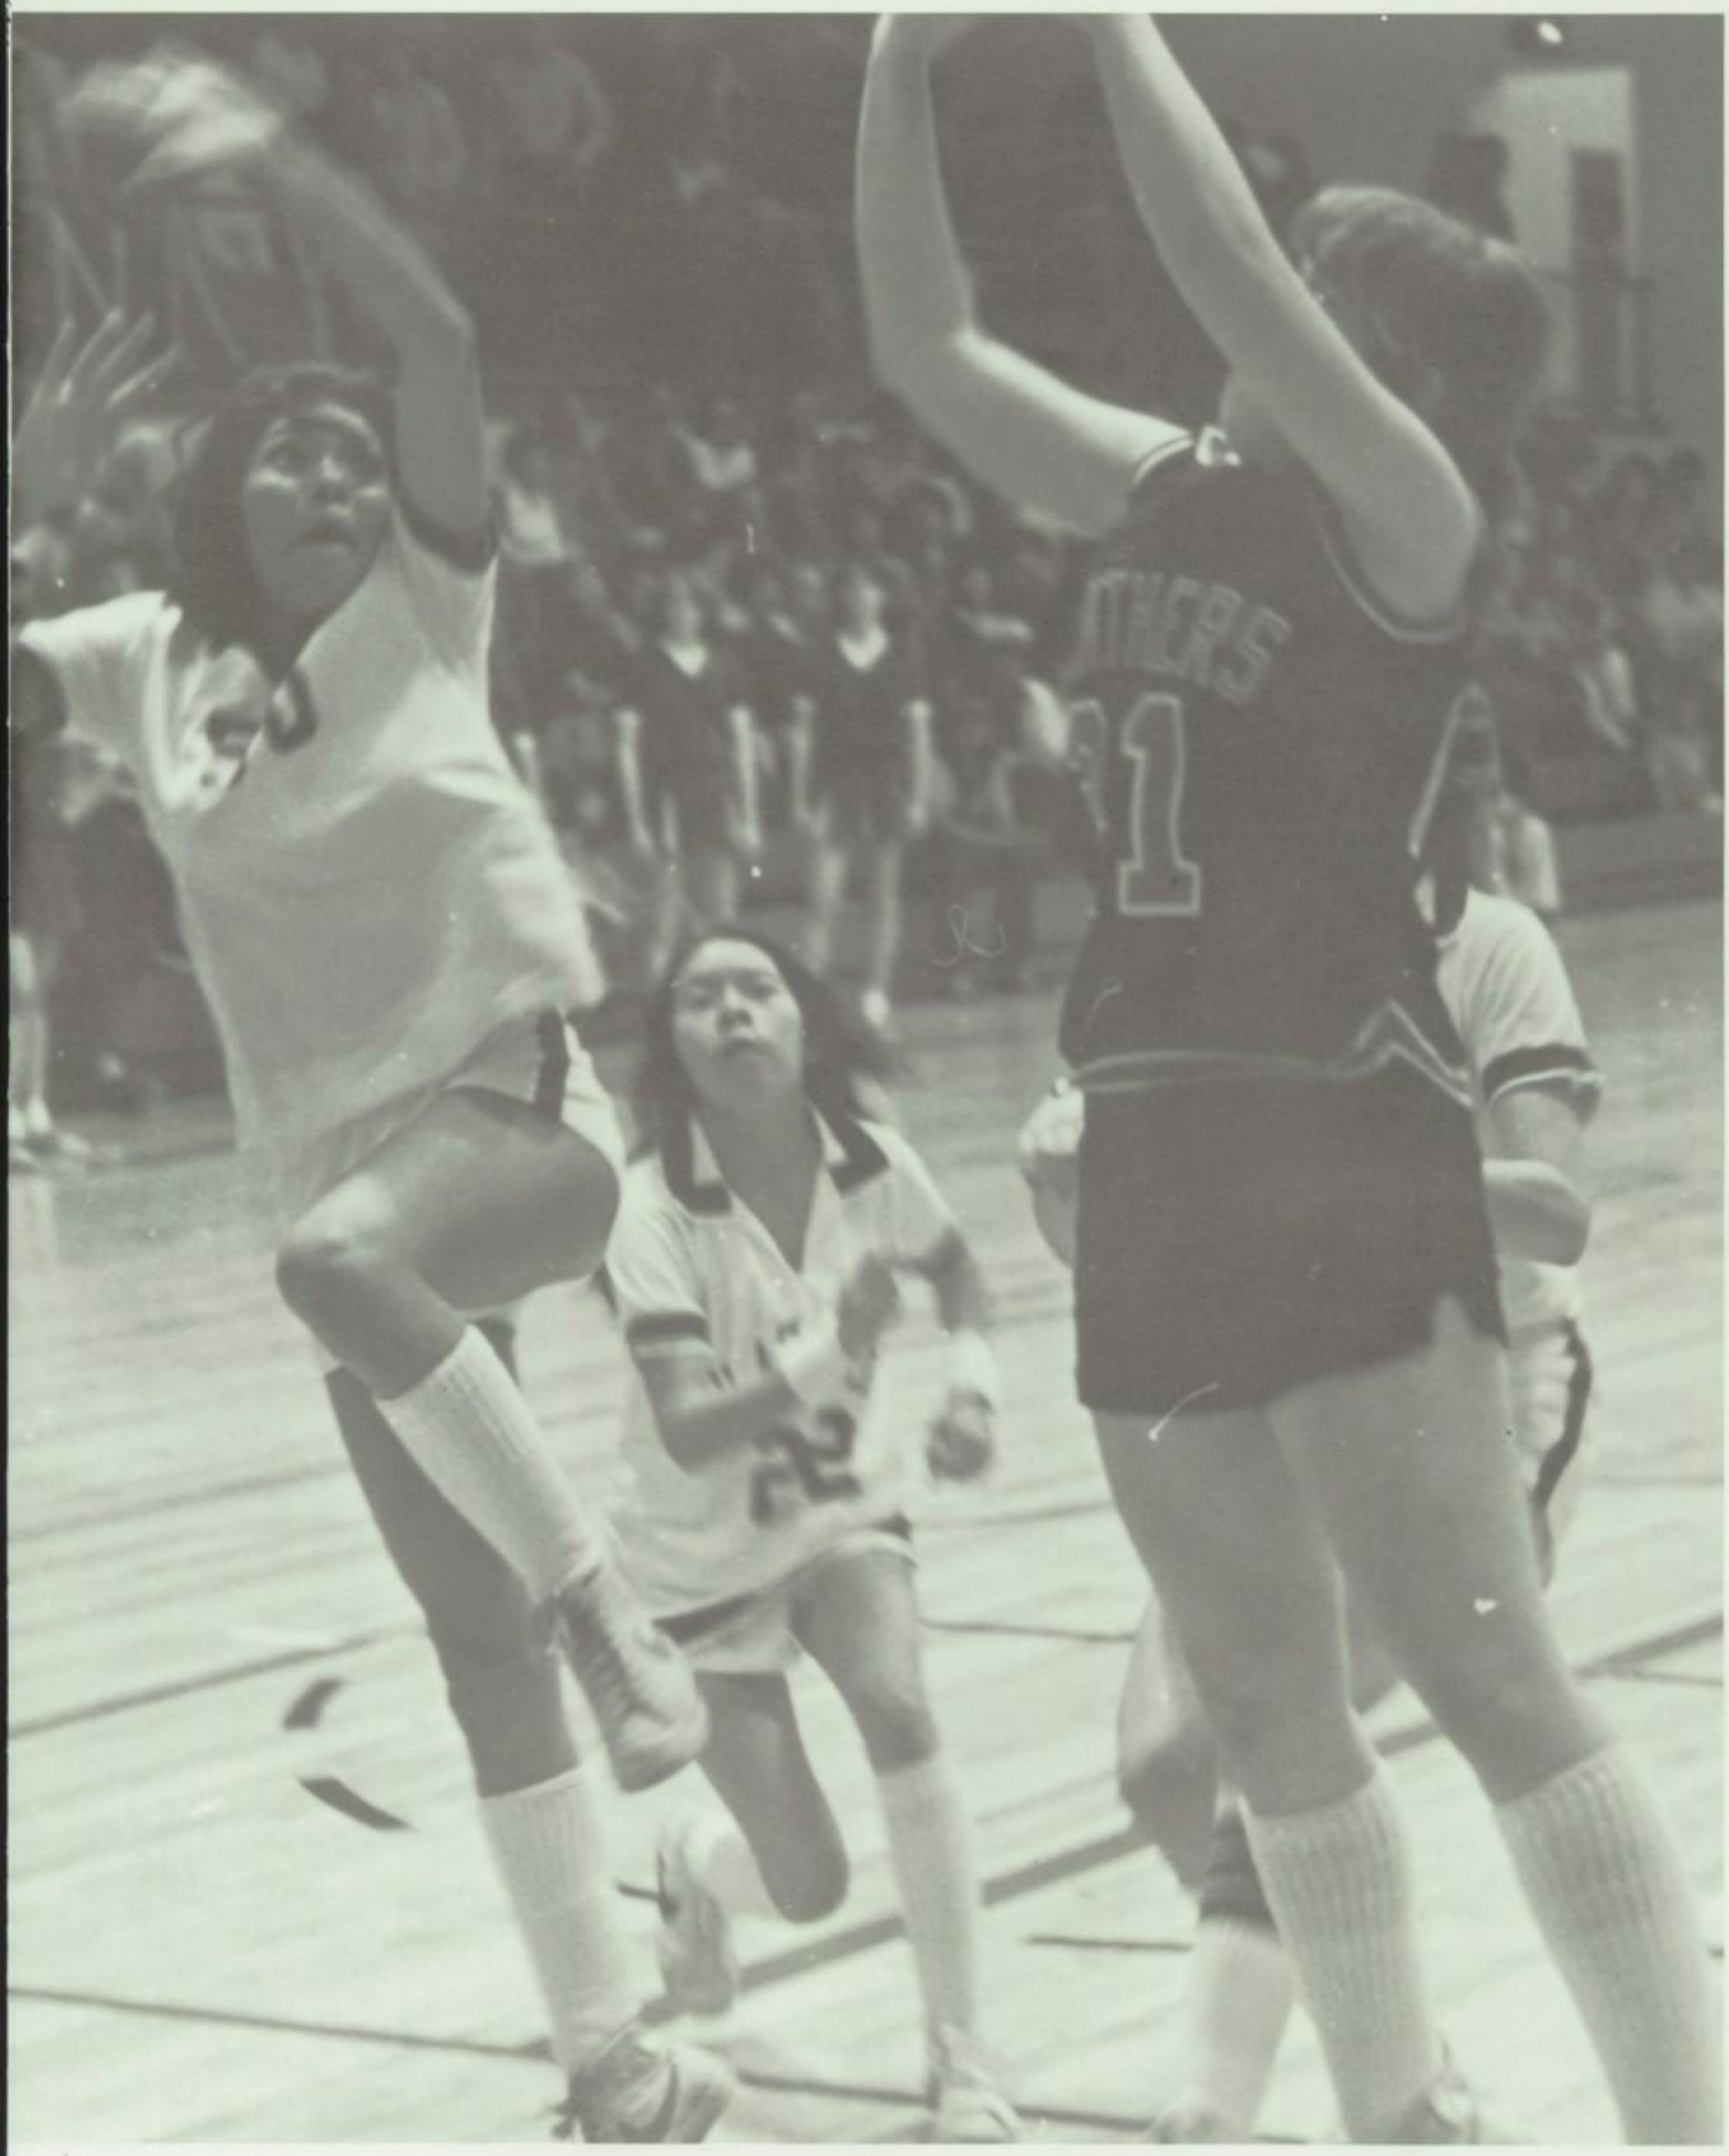
Varsity

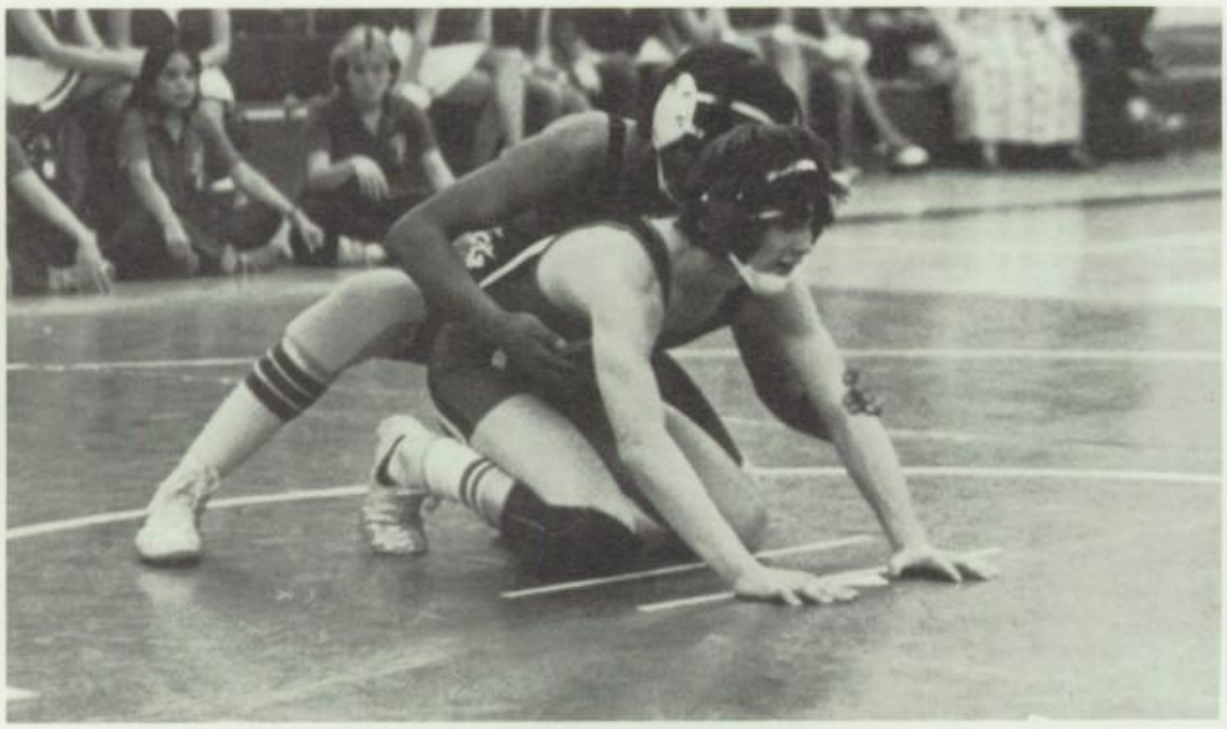


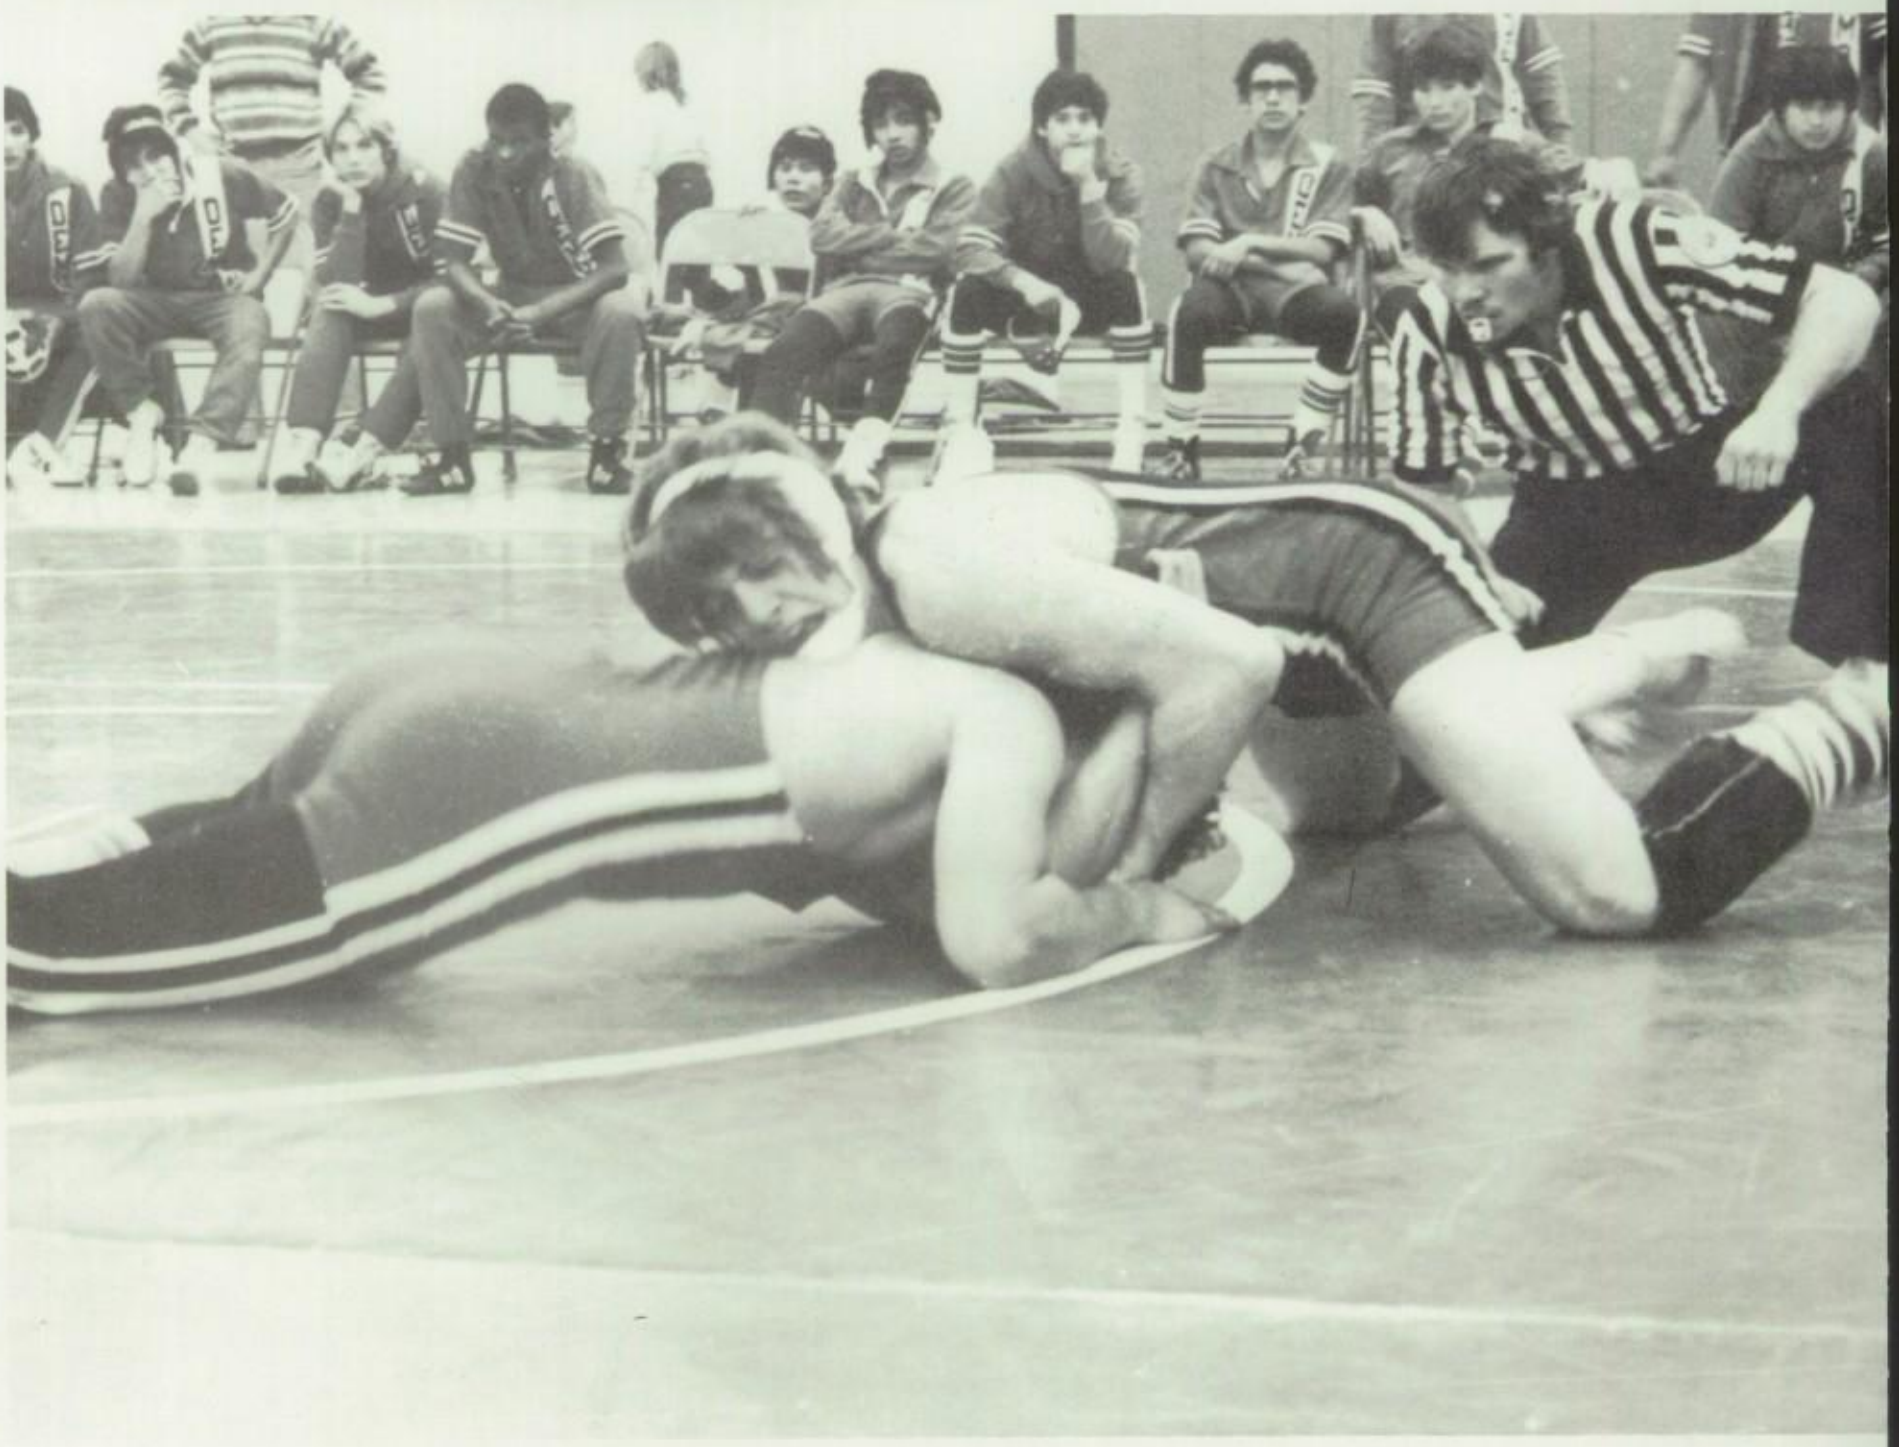
Girls basketball rebounds

Coconino finished its season on the down side with its 3rd loss to Flagstaff occuring at the divisional playoffs. Their record for 80-81 was 3-17. Coach Mitchell stated that record was important this year because the primary goal was to have a successful transistion period for the girls to a new coaching staff. Non the less, Viola Herrera was voted to 1st team all division and Tisha Charley received honorable mention.



Wrestlers throw thei





weight around

Wrestling is a sport emphasizing condition and techniques not used in everyday athletics. The wrestlers worked very hard this year. The toughest opponents were Winslow and the most promising wrestlers were David Skenandore, John Maddux. Mr. Taylor's prediction for the season was, "Every wrestler will produce to his utmost ability, increasing his skill at each meet. They're all winners as long as they give 100%."

The divisionals were held here. Some of the invitational meets they went to were; Mingus and Dysart.

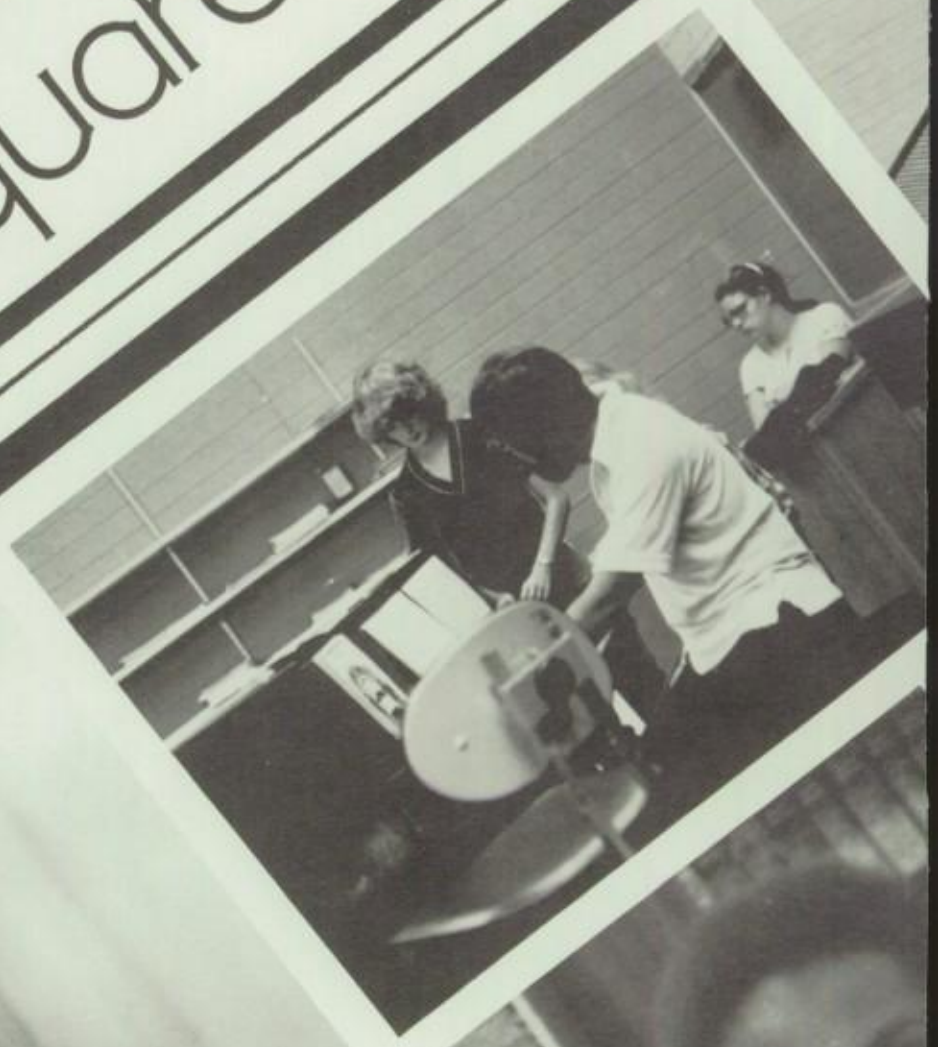
Senior Square



Senior Square is the center of our neighborhood. It's where the main events of our neighborhood take place. To the senior who enters here it seems like the end of the road, but as the year comes to a close they see that it's only the beginning.

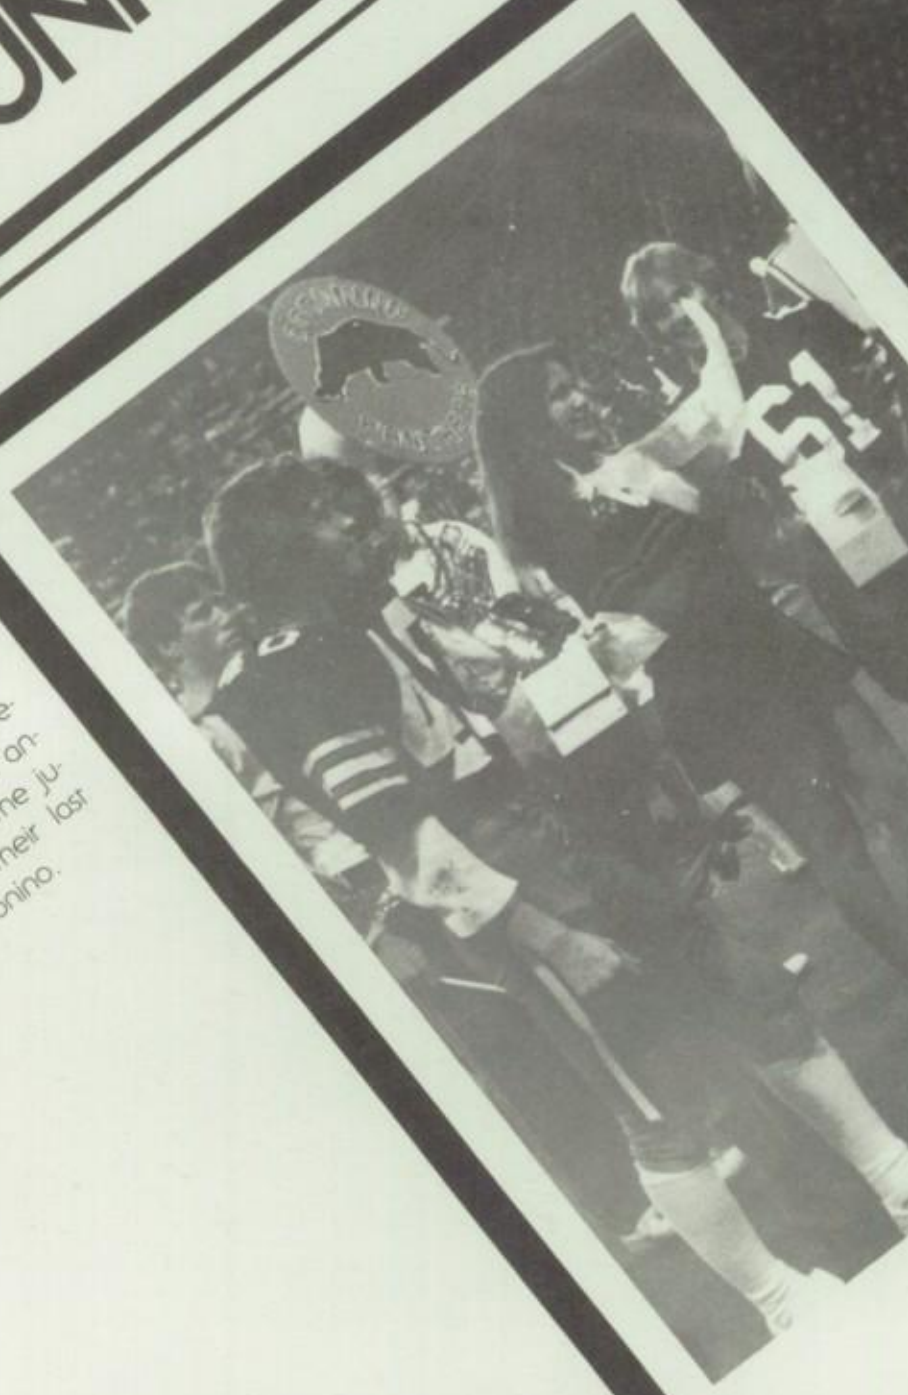
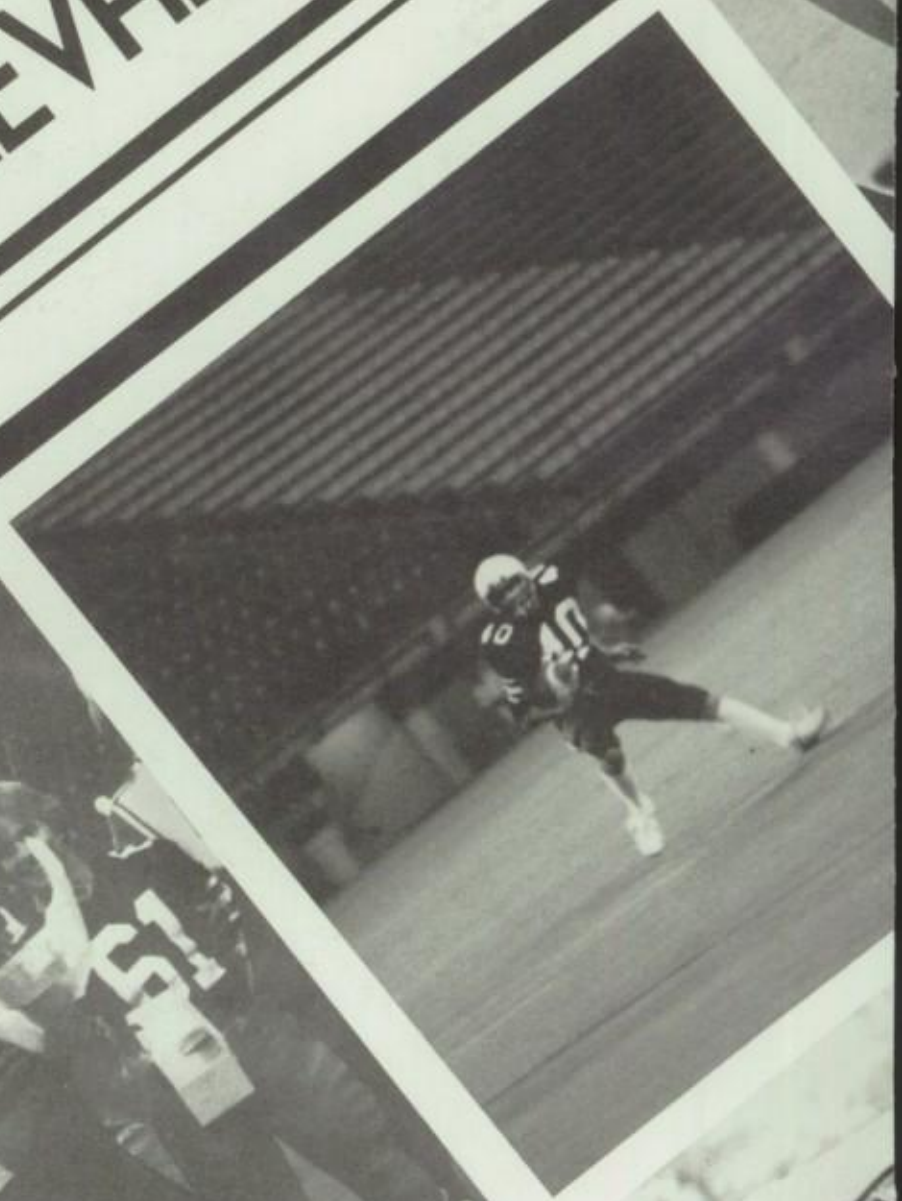
JUNIOR BOULEVARD





As we turn onto Junior Boulevard, we see the class at Coconino that is transforming from the inquiring sophomore to the all-knowing senior. From the excitement of your first car, to the anticipation of prom night, the juniors look forward to their last but best year at Coconino.

SOPHOMORE WAY

After the horror of initiation week, the Sophomores settled into a comfortable everyday stroll down Sophomore way. The scary moments, like walking into the wrong room, or your first avoidable absence, were just memories by the end of the year.

A Flagstaff citizen for more than a half-century

Our roots grow deep in Arizona. Especially in Flagstaff, where we have been a corporate citizen since 1924. During 1980, in excess of $6 million in payrolls will go to more than 500 people directly dependent on our Flagstaff sawmill and logging operations.

We're committed to long-term investments here. Constant improvements have given our sawmill the capacity to produce more than 70 million board feet of lumber a year. That's enough to build 5,000 typical single-family homes. And a $2 million logging camp is located 56 miles southeast of Flagstaff near Clints Well.

Flagstaff also is the headquarters for our wide-ranging timber harvesting operations which supply our Arizona and New Mexico sawmills with sawlogs and our Snowflake, Arizona paper mill with pulpwood and wood chips.

Yes, Flagstaff is important to us in many ways.

always a hard time and all. We were
Mrs. Lindsey a hard time with Buffalo Butt and Buffalo

the biggest teaching her name wants to make
quit. Just went to my first hour. Shit

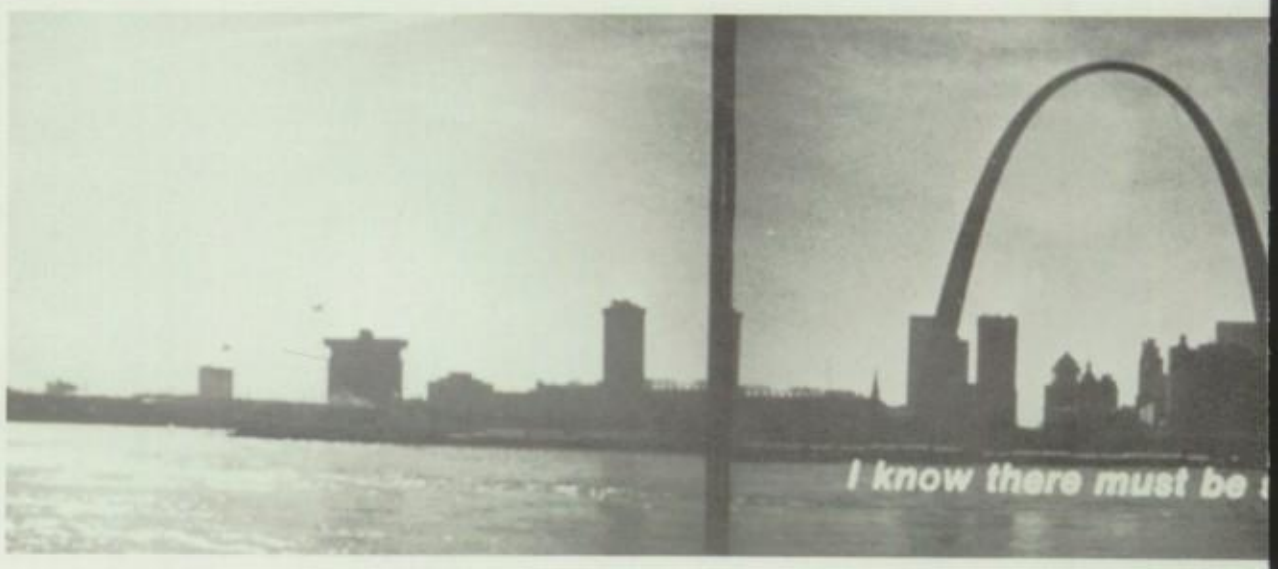
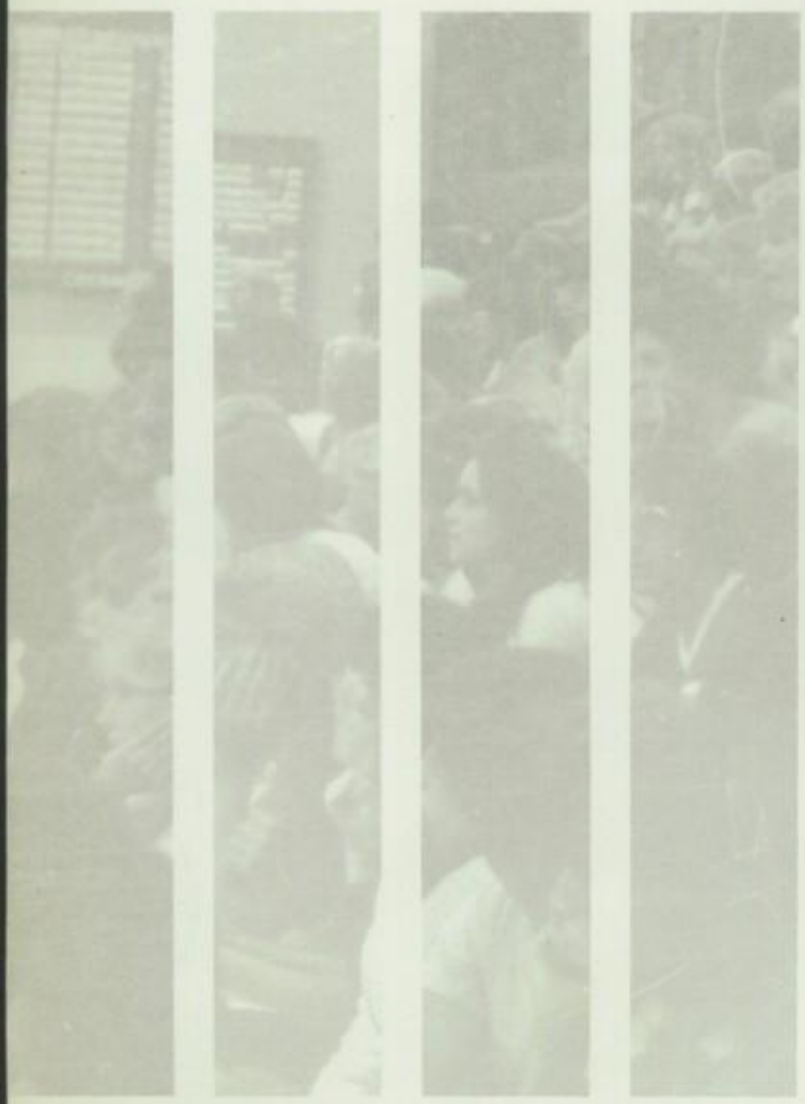
Neighborhood off ramps



As we close this book, we end another year in our neighborhood.
Some of us forever; some of us for only a summer.
We say goodbye to the friends we've made, not to mention the enemies.



Some of our memories will be harder to forget than others. Memories of teachers, classes, sports, activities, and dances are memories we all share.

Each of us also has individual memories, shared only by our closest friends. As we leave the halls of CHS with our memories, we all must choose the OFF RAMP that is best for us.

Thanks for being such a nice friend.

This volume of Reflections was put together in the hopes of best representing Coconino High School in the year 1980-81. We want to apologize for any errors we've made.

Looking through the ad section, it can be seen that this book was backed by the entire community. We'd like to thank them for supporting us.

We would also like to thank the entire student body for being who you are, because after all, it is your personalities which have made this book what it is. We appreciate the patience of the administration. With their permission we were allowed to call students out of class and roam the halls looking for various teachers and students. They also helped us find important information which we couldn't have gotten on our own.

A special thanks to our staff whose efforts are greatly appreciated. The photographers and page editors did everything we asked them to. They spent a good part of their year re-doing things just in time for important deadlines. Our advertisers spent a lot of gas and time searching out prospective buyers.

Last of all, our thanks to Mr. Wells, our advisor. The staff often needed your stupid jokes to get us through the day! (By the way, your knowledge on publishing a yearbook was helpful too!)

We hope you enjoy this volume of Reflections as much as we enjoyed working on it!

Paula,
Its been
nice hanging
around with you.
you made this year
a lot funner than been.
what it would of been
I hope next year we have
some classes together. Because this
year I enjoyed having 3 classes
with you. This summer you better call
me or at least go over and visit me.
If you don't know my number it is 526-9040.
you better not let go of Johnny or else I'll
get mad at you (just kidding) But you better not let
go! Remember when we were in Science and
you were telling me about Johnny's moms tamales
and we drew that picture of a butt with fire
coming out of it? Well that's why I want you
in some of my classes next year because girl
your crazy!!!!!..... Maybe next year if we have to
Earth Science again maybe will have it together
with the desk that says "I miss Juans". I really
don't know what else to say except take care
of yourself and thanks for being a
friend! I hope next year we can have
as much fun as we did this
year. Good luck in the future
and take care of Juans. I
hope to see you a lot
this summer.
